

# Catalyst Pre-Development Project Request for Proposals (RFP)

We Prosper Together is looking to support pre-development projects that advance **environmentally sustainable, future-focused, high-quality job opportunities** in the eight-county Capital Region. We're building an inclusive and strong economy where we can all prosper, and we can't do it alone.

The Catalyst Phase aims to build long-term economic resilience in the Capital Region. Catalyst Phase funding will turn strategies outlined in the Regional Plan into action. We're creating a pipeline of community-led projects that leverage the region's most promising industry sectors and create equitable outcomes.

 Applications are due **February 2, 2025** and will be awarded beginning in late February.

Projects will launch in early March and must be completed by September 30, 2026.

## We Prosper Together's Goals

Address long-standing economic inequities

Generate high-quality jobs

Make pathways to economic mobility widely accessible

Unlock the potential of our region's most promising sectors

## We're looking for projects that...

Create opportunities in one or more of our region's counties (Colusa, El Dorado, Nevada, Placer, Sacramento, Sutter, Yolo, Yuba)

Are in early stages of development (i.e. focused on studying whether an idea is feasible, creating plans for future work, or require more actions to be ready for implementation)

Directly benefits disinvested communities in the Capital Region

Advances quality jobs in one of the region's priority tradable industry sectors or opportunity sectors

## Priority Tradeable Sectors\*

- Biotechnology
- Precision Manufacturing
- Working Lands
- Business

## Opportunity Sectors

- Construction
- Healthcare
- Tourism
- Creative Economy

Check out the Regional Plan and learn more about why these sectors could catalyze our local economy: [weprospertogether.org/our-regional-plan/](https://weprospertogether.org/our-regional-plan/)

\*Projects in priority tradable sectors will receive four additional points in scoring.
